Hi Suzanne:

The following tip/complaint was submitted to EPA regarding a pesticide application to a residential building in Chicago. We are forwarding this to IDA for potential follow-up and investigation under IDA's primary enforcement authority under Section 26 of FIFRA. The complaint information is provided below:

Complainant Name and Contact: **Ex. 6 Personal Privacy (PP)**

Address: **Ex. 6 Personal Privacy (PP)** Chicago, IL 60656

Complaint Date: 9/27/19

Complaint: "Home located at above address has multiple moth balls to deter animals and dogs that are at the base of his trees...along the edge of the grass. In flower bed. Base of fire hydrant. I can smell the potency of the moth balls. Located at corner of forestview and potawatomie st. Harmful to dogs and their walkers. Also to the land. Moth balls are illegal to use outside...."

Please let us know if you have any questions.

Thank you,
